

1. Make sure you reaffirm the testing date and time with your AP teacher(s). You are expected to be at morning exams by 7:30 AM and afternoon exams by 11:30 AM.
2. All exams will be given at Memorial Lutheran Church, which is located on Western Ave. just south of Bracco at 57th and Western.
3. Bring pencils, an eraser, and black pens with you to the exam.
4. Graphing calculators are allowed/required for Chemistry, Calculus, Physics, and Statistics. Make sure your calculator has fresh batteries.
5. DO NOT bring your cell phone into the testing area. This is College Board policy. If you have your cell phone with you, you will be dismissed from that exam and will not be allowed back in--nor will you be allowed to take the exam at a later time. **LEAVE YOUR CELL PHONE IN YOUR CAR!!!**
6. You paid a lot of money for the exam. Make use of the entire time allotted for the exam.

If you have questions, please see me in room A250.

Mr. Lukens
